

Kwinana Industries Council (KIC)

Kwinana Industries Council (KIC) strives to foster positive interaction between member companies and the broader community. KIC is unique within Australia and pursues its goals by working collaboratively with member companies addressing issues of common interest; so that Kwinana industry speaks with one voice.

The KIC aims to:

- Co-ordinate the activities of Kwinana industries on a range of common issues;
- Provide effective liaison with the local community;
- Promote a positive image of Kwinana industries;
- Highlight contributions to the community by Kwinana industries; and
- Work towards the long-term viability of the Kwinana Industrial Area.

KIC's Role in Community Investment

While the KIC is a not-for-profit organisation and is not a funding body, the KIC can facilitate industry community investment and in-kind support in two ways:

1. Referral of appropriate requests to KIC members for review;
2. Co-ordination of KIC member support for initiatives with broad benefits to a significant section of the local community.

Referral to KIC Members

KIC full member representatives combine to form the KIC Public Affairs & Communications Advisory Group. The group meets monthly where requests for support are assessed against the guidelines and where applicable referred to KIC members for individual company consideration.

In this instance, the KIC is a facilitator, acting as a conduit to over 40 individual organisations within the Kwinana Industrial Area.

Co-ordination of KIC Member Support

For projects with broad benefits to a significant section of the local community, the KIC can co-ordinate member support through the KIC business planning process. For consideration in the KIC's annual budgetary process, these projects must be consistent with the following key priority areas:

- Environmental sustainability;
- Education and training;
- Community health and lifestyle.

Upon reflection, should you consider your request falls within one of the key priority areas, KIC will review requests for support from not-for-profit organisations that:

- Will deliver benefits directly to the local community surrounding the Kwinana Industrial Area;
- Incorporate sound health, safety, environmental and governance practices; and
- Provide adequate information regarding the management and administration of the organisation and the project including; accountability, reporting and project measures of success.

Exclusion Criteria

The KIC will not consider:

- Political donations
- Individual or group requests for fundraising
- Individual or group requests for travel
- Indirect appeals such as golf days, charity dinners and other fundraising events
- Membership of religious, political or community organisations
